

SEDGWICK COUNTY

Sedgwick County has 20 cities and includes Wichita — both the county seat and the largest city in Kansas. The county is home to world-class industries, the most noted of which are aviation-related and have earned its largest city, Wichita, the title of "Air Capital of the World."

Conveniently located in the center of the United States at the confluence of some of the country's major interstate and railroad systems, Sedgwick County is perfectly positioned to connect you to suppliers and customers in all corners of the country.
